

§ 2625.1

States surveyor general, at the expense of the State.

(b) The grant of swamp lands, under Acts of March 2, 1849, and September 28, 1850, is a grant in praesenti. See United States Supreme Court decisions *Railroad Co. v. Fremont County* (9 Wall, 89, 19 L. ed. 563); *Railroad Co. v. Smith* (id. 95, 19 L. ed. 599); *Martin v. Marks* (7 Otto 345, 24 L. ed. 940); decisions of the Secretary of the Interior, December 23, 1851 (1 Lester's L.L. 549), April 25, 1862, and opinion of Attorney General, November 10, 1858 (1 Lester's L.L. 564).

(c) The Act of September 28, 1850, did not grant swamp and overflowed lands to States admitted into the Union after its passage. See decision of Secretary of the Interior, August 17, 1858; Commissioner, General Land Office, May 2, 1871 (Copp's L.L. 474), affirmed by Secretary June 1, 1871, and Commissioner, General Land Office, January 19, 1874 (Copp's L.L. 473), affirmed by Secretary July 9, 1875.

(d) A State having elected to take swamp land by field notes and plats of survey is bound by them, as is also the Government. (See Secretary's decisions, October 4, 1855 (1 Lester's L.L. 553), August 1, 1859 (id. 571), December 4, 1877 (4 Copp's L.L. 149), and September 19, 1879.

(e) The Swamp-Land Acts do not contain any exception or reservation of mineral lands and none is to be implied, since at the time of their enactment the public policy of withholding mineral lands for disposition only under laws including them, was not established. *Work, Secretary of the Interior v. Louisiana* (269 U.S. 250, 70 L. ed. 259).

§ 2625.1 Selection and patenting of swamp lands.

(a) All lands properly selected and reported to the Bureau of Land Management as swamp will be compared with the records of the said office, and lists of such lands as are shown to be swamp or overflowed, within the meaning of the Acts of March 2, 1849, and September 28, 1850 (9 Stat. 352, 519), and that are otherwise free from conflict will be made out by such office and approved.

43 CFR Ch. II (10-1-14 Edition)

(b) When the lists have been approved a copy of each list will be transmitted to the governor of the State, with the statement that on receipt of his request patent will issue to the State for the lands. A copy of each list also will be transmitted to the authorizing officer of the proper office for the district in which the lands are situated, and he will be requested to examine the same with the records of his office and report any conflicts found.

(c) Upon receipt of a request from the governor for patent, and a report from the authorizing officer as to status, patents will issue to the State for all the lands embraced in said lists so far as they are free from conflict.

(d) Under the provisions of the Act of March 2, 1849, granting swamp lands to the State of Louisiana, a certified copy of the list approved by the Director, transmitted to the Governor, has the force and effect of a patent.

§ 2625.2 Applications in conflict with swamp-land claims.

Applications adverse to the State, in conflict with swamp-land claims, will be governed by the following rules:

(a) In those States where the adjudication of swamp-land claims is based on the evidence contained in the survey returns, applications adverse to the State for lands returned as swamp will be rejected unless accompanied by a showing that the land is non-swamp in character.

(b) In such case, the claim adverse to the State must be supported by a statement of the applicant under oath, corroborated by two witnesses, setting forth the basis of the claim and that at the date of the swamp-land grant the land was not swamp and overflowed and not rendered thereby unfit for cultivation. In the absence of such affidavit the application will be rejected. If properly supported, the application will be received and suspended subject to a hearing to determine the swamp or nonswamp character of the land, the burden of proof being upon the non-swamp claimant.

(c) In those States where the survey returns are not made the basis for adjudication of the swamp-land selections, junior applications for lands covered by swamp-land selections may be
